

The City of Green Lake Property Tax Boundary

The above aerial map with the highlighted section depicts a property tax boundary for the City of Green Lake. The City of Green Lake shares the shoreline of Big Green with four other public jurisdictions to include the Town of Brooklyn (Surrounding the City's' boundaries to the north, east, and west), the Town of Green Lake (southeast on the shoreline), Town of Princeton, and Town of Marquette.

The City of Green Lake has the only downtown area located on the shoreline of the lake, and welcomes residents and visitors from around the lake. The City's wharf allows for boat parking within walking distance to the downtown area for all lake residents and visitors to enjoy.
