

MILL STREET CONSTRUCTION INFORMATION MEETING NOTICE

Mill Street Bridge Replacement Project

Date: Thursday June 11, 2026

Time: 1:00 PM – 2:30 PM **(Attend anytime!)**

Location: Caestecker Public Library, upstairs meeting room

Address: 518 Hill St., Green Lake, WI

Project Overview

The Construction Project Management Team invites you to attend a construction information meeting to discuss the upcoming Mill Street Bridge Replacement construction project. Project staff will share construction details, schedule, traffic impacts, pedestrian access and other information.

Meeting Format: Open House

This meeting will follow an informal **open-house format. No formal presentation will be made.** You are encouraged to attend at your convenience during the scheduled hours to:

- View project maps and proposed schedules.
- Speak one-on-one with the project management team.
- Provide your input and ask specific questions about potential construction impacts.

Traffic Impacts

Mill Street will be **closed** to traffic for the duration of construction. A detour route shall be posted as shown in the plans.

Temporary access will be provided and maintained to all properties that do not have alternative access.

Can't Attend?

If you cannot attend the meeting but would like to learn more or provide comments, please visit the project website [Mill Street Bridge – City of Green Lake, Wisconsin – Home to the deepest natural inland lake in Wisconsin!](#) or contact the project management team directly.
